High-quality plastic calipers from Switzerland

These modern designed Swiss calipers are made of fiberglass re-enforced plastic, which makes them very firm and light, wear-proof, and resistant to all kinds of chemicals – ideal for the workshop! Each model is equipped with an easy read-out. Combined with the low price a line of very attractive calipers.

For 100 pieces or more the calipers and folding rules are available with prints. This gives you the opportunity to promote your company name or logo in an easy way and is within your own company, as well when used as a business gift, an outstanding marker. For more information about the printing possibilities please contact our sales department.
