## TESA HITE MAGNA 700 and TESA HITE 700

- Easy-to-use height gauge for fast and accurate 1D measurements
- Exceptional operating autonomy of over 60 hours
- Delivered with SCS Calibration Certificate
- RS232 data output: compatible with Bluetooth® for data transfer\*
- **TESA-HITE MAGNA**: ideal for difficult measurements thanks to patented measuring system (magna  $\mu$  system)
- **TESA-HITE**: air cushion system
